WORK EXPERIENCE

REZAID
Lahore, Pakistan
Dec 2021 - Present

Senior Software Engineer

Projects

- Stories Web Hub Project (Frontend React, Backend Laravel API's with MongoDB):** Project is basically built for a Film industry CRM system where user/admin can add a project, contact, company, actors, and talent. Stories project also has Hubspot, ClickUp, and Slack integrations.
- Fashion Hub Global (FHG) Project (Laravel, Magento, Shopify, Mysql, REST API's):** The project basically based on the integration between Shopify and Magento stores. I developed the Laravel system that lists all the products, categories, and orders that come from Magento, and Shopify Store also syncing all the data between Magento and Shopify store.
- PickappOnline Project (Laravel, Mysql, REST API's):** This project is like the Uber app, User can make rides, order food, and use pickup and delivery services. I made a complete admin panel and API's for IOS and Andriod app.

COMPUTAN
Lahore, Pakistan
Dec 2019 - Dec 2021
